A student from a disadvantaged socio-economic background can obtain additional funds for individual support if the student meets the eligibility criteria. The eligibility criteria are as follows:

That vulnerability is determined by the department of community development in the Ministry of Labour.

As proof of an disadvantaged socio-economic background, the student is obliged to submit:

- Certificate of the average monthly income per household member, in the period of 6 months preceding the announcement of the call, issued by the municipality where the document is registered, the address that is located elsewhere is registered or the specified address is personally registered, and which evidence of the address of residence of the students;
- Self-signed **Declaration on belonging to a target group for inclusion**, under material and criminal liability, which confirms that the data specified in the attached documentation is accurate and complete, and authorizes the authorities to have the right to check, process, store and use it in accordance with current regulations.
- A photocopy of an identity card or a scanned identity card, or another identity document, for foreign citizens, which proves the place of residence and other personal data;

If there is a suspicion of an attempt to manipulate the determination of a student's disadvantageous position, the University Business Academy in Novi Sad and the Agricultural University of Tirana may request additional documentation and conduct a check with the competent authorities. If, after checking the documentation, the information provided is found to be incorrect or untrue, the University Business Academy in Novi Sad and the Tempus Foundation reserve the right to demand the return of the funds allocated to the student.

PROVING THE STATUS OF A PERSON WITH DISABILITY:

Persons with disabilities/cronic conditions or physical impairments, as well as persons accompanying them, may exercise the right to reimbursement of eligible real costs incurred during the mobility period, by submitting additional documentation, namely:

- **Declaration on belonging to a target group for inclusion- it is submitted at the time of registration of participants to the competition;**
- A document issued by the National Employment Service or another government authority (please, correct if it is necessary and enter the appropriate body/institution) which confirms the health condition. If not applicable, it is necessary to provide a report of a specialist (a doctor, psychologist etc.) confirming the health condition- **it is submitted at the time of registration of participants to the Call;**
- Invoices for the real costs incurred, with the indicated description of the service/goods, amount, currency, invoice date, as well as proof of payment- **they are delivered after the approved and realized mobility;**

*The medical documentation from the previous paragraph must be issued by the competent health institution and must not be older than six months. It is necessary to be able to conclude on the basis

of the medical report how the disability/health condition affects the learning outcomes and daily functioning of the candidate.

ONLINE LINGUISTIC SUPPORT- OLS- EU Academy

Online Linguistic Support (OLS), which has existed under the name [EU Academy](#) since July 1, 2022, is a portal for testing the language abilities of selected students for Erasmus+ mobility for the purpose of study or traineeships at partner universities from the program countries and for attending a language course during the mobility period. Online language support only applies to mobilities for which the main teaching or working language is currently available on the platform. If the mobility takes place in the candidate's native language, candidates are not required to take a test or attend a native language course as native speakers. However, native speakers will do testing and attend a course for another foreign language, e.g. English. The contact for online language support is Mrs. Sidita Dushaj at Agricultural University of Tirana which will send applicants an email with instructions for the language ability test and the language course. Selected student will receive a notification before going on mobility, and only a pre-mobility test is required, which must be done no later than the start of the mobility. More detailed information is available on the www.ubt.edu.al itself.

For all questions related to the Public Call, contact the **Mrs. Sidita Dushaj** (please, enter the appropriate person/office/etc) at erasmusoffice@ubt.edu.al (please, enter the email address).
