

	Prof. Dr. Ndoc Fasllia Profesor në Shkencat Bujqësore Departmeni i Shkencave Agronomike Fakulteti i Bujqësisë dhe Mjedisit Universiteti Bujqësor i Tiranës Tel : 0683762303 E-mail : faslia.ndoc@yahoo.com
---	---

Karriera / Arsimi

2016 Profesor
2007 Profesor i Asociuar
2001-2007 Lektor
1997-2000 Doktoraturë/ PhD
1979-1983 Diplomë; Agronom i Larte

Shërbimi në Organizata Profesionale

2007-2012 Anëtar i Bordit te Administrimit ne UBT

Fokusi i Kërkimit Shkencor

- Permiresimi gjenetik i bimeve,
- Ruajtja e agro-biodiversitetit,
- Studimi dhe ruajtja afatgjate e resurseve gjenetike te bimeve, • Standartet e ruajtjes *ex-situ* dhe *in-situ* te gjermoplazmes bimore.

Fokusi në Mësimdhënie

- Prmiresimi gjenetik i bimeve bujqesore;
- Permiresimi gjenetik i drureve pyjore;
- Ruajtja dhe menaxhimi i resurseve gjenetike te bimeve

Publikime.

Numri total i publikimeve: 30

ResearchGate: 19
